## Personal data that we process

You can use our contact form for asking questions and making requests.

Jamafa Machinery BV processes your personal data that you provide to us via our contact form. We use your name and e-mail address for this. We save this information until we are sure that your question or request has been fully answered.

With the application form you can apply for our vacancies.

Jamafa Machinery BV processes your personal data that you provide to us via our application form. We use your name, telephone number and e-mail address for this. We save this information until the processing of your application has been fully processed.

## Sharing of personal data with third parties

Jamafa Machinery BV only provides to third parties and only if this is necessary for the implementation of our agreement with you or to comply with a legal obligation.

## Cookies, or similar techniques, that we use

Social media buttons are included in our website. With this, the administrators of these services collect your personal data.

## View, modify or delete data

You have the right to view, correct or delete your personal data. In addition, you have the right to withdraw your consent for data processing or to object to the processing of your personal data by Jamafa Machinery BV and you have the right to data transferability. This means that you can submit a request to us to send the personal data that we hold about you in a computer file to you or another organization mentioned by you. You can send a request for access, correction, deletion, data transfer of your personal data or request for withdrawal of your consent or objection to the processing of your personal data to [info@jamafa.com](mailto:info@jamafa.com). We will respond to your request as quickly as possible.

## How we protect personal data

Jamafa Machinery BV takes the protection of your data seriously and takes appropriate measures to prevent abuse, loss, unauthorized access, unwanted disclosure and unauthorized changes. If you have the impression that your data is not properly protected or there are indications of abuse, please contact us via [info@jamafa.com](mailto:info@jamafa.com).
